

- **US Route 1 North from Beltsville** Once past MD 198, get in the extreme right lane and turn RIGHT on Main Street then go under the Railroad Bridge underpass--Post 60 is the last building on Main Street.

- **US Route 1 South from Savage** After the US 1 split, get in the left lane and go past the small bridge then take a LEFT on Main Street (approximately 1 mile from the split). Cross US 1N to stay on Main Street and go under the Railroad Bridge underpass--Post 60 is the last building on Main Street.

- **MD 198 West from Maryland City** Once past the bridge from Anne Arundel County, get in the right lane and go past the shopping center on the right to the MD 197 / Irving Street stop light. Make a RIGHT on Irving Street. Continue to the end of the street then take a RIGHT on Lafayette Avenue. Go to the end of the street and make a RIGHT turn on Main Street (the MARC station will be on the left at the stop light at the turn). Post 60 is the last building on Main Street.

- **I 95 North & South from Washington D.C. or Baltimore** Take the MD 198 East exit to Laurel. Follow MD 198 to US 1. Make a LEFT on US 1 North. Immediately get in the extreme right lane and make a RIGHT on Main Street. Go under the Railroad Bridge underpass--we are the last building on Main Street.
