"The Fun Post"

August 2024

Commander's Message Josie Lohman

The dog days of summer are definitely upon us, but POST 60 members are still busy-busy with many upcoming events. One of our favorite events for MCVET will be taking place September 21st and we need all the volunteers we can get to make it a success. Please see the sign-up sheet at the lounge kiosk. We are also looking for donations of gently used and new clothing, both men and women's, to donate to MCVET residents. There will be a baseball game that day between Post 60 members and MCVET members. If you are interested in being on the team for Post 60, please see Diane Spears. Our Labor Day picnic on September 2nd will be here before you know it, hopefully the heat will calm down a bit by then. Be on the lookout for more information so you can join us. Our picnics are very popular, lots of good food and friends to socialize with!

The Department of Maryland convention was held in Ocean City July 15th through the 19th and POST 60 was proudly represented by eight of our members. We received an award for over 100% membership and for the best website and electronic newsletter for a post of 500 through 750 members. We also received an award for 2nd place in the Top Donor Award for the Maryland Gold Star Legacy Run. These awards will be on display in the lounge for all to see. While, attending this convention one thing was very apparent about POST 60, if it was said once it was said many, many times how POST 60 sets an example for Legion family. We should be proud of the example that we are setting throughout the state.

Our 2025 membership cards are in and ready for distribution. All you need to do is see Lee Luby and renew your 2025 membership. Renew before *October 13th* to get your card stamped with the early bird. Our early bird party will be held in the fall, and we would love to see you there.

1st Vice Commander Lee Luby

What a great year we had! A list of our Department awards can be found in Commander Lohman's report, but I am happy to say that one of them is a membership award to celebrate all of our Units achieving 100% renewal of our members. Such a large honor speaks of all the hard work and phone calls placed by officers who have been elected to positions that involve "gathering up" delinquent members and convincing them that The American Legion values our programs AND their membership. We want to do as well next year, and it's important to know that getting renewals is the responsibility of the members of all Units. Be sure to carry an application in your wallet for when you meet potential members and point them in the right direction to join our organization. The officers of all Units will gladly sign them up! !00% +++ next year!

Post 60 Lounge Rules

Just a few gentle reminders!

The bartender is in charge, please let them do their job without interference.

Post 60 expects everyone to conduct themselves in a manner that is civilized, respectful and courteous towards fellow members and their guests. We strive to keep our lounge a socially fun environment for all.

Business is conducted in meetings, not in the lounge.

If you are in doubt of any rules while in the Post 60 lounge – please reread the first one!

Auxiliary Unit 60
Nancy Slavinski
ALA President

August may not bring us a federal holiday or two, but it does bring us celebrations and observances such as World Wide Web Day on the 1st, U.S. Coast Guard Day on the 4th, International Dog Day on the 16th, and National Heroes Day on the 29th. Summer is slipping by and September will introduce Fall (and hopefully cooler temperatures).

Convention in Ocean City was July 15-19. We will utilize the information shared with all to increase awareness of the programs, encourage membership to grow, and more to be of service to our veterans and their families. The theme for the coming year is "RACING TO THE WINNERS CIRCLE. ALA had **eight** members in attendance who enjoyed networking, socializing, and sharing thoughts on how we can be the best of the best. At the convention, ALA received the Gold Plus Unit 2024 ribbon for 100% membership for 2023-2024.

Denise's Craft Corner: events will be on the calendar for September 16 (Pour and Paint Night), October 21 (Pumpkin Centerpiece), November 16 (Snowman Centerpiece), and December 17 (Seascape Centerpiece) to create a variety of items for yourself or as gifts for the holidays. These events are enjoyed by many and will now be held on either a Monday, Tuesday or Saturday to accommodate all interested parties. Take time for yourself and/or bring a friend/relative to experience the networking opportunity with others.

The winner of the **Beach Basket Raffle** was Sherry Ventura. Congrats!!

Game night on Wednesdays – Barbara Rhodes, Peggy Purcell and Tris Thomas will continue Wednesday game night until the end of August. Queen of Hearts is just around the corner so get ready for more fun and games. If you are interested in cooking every other Wednesday evening for Queen of Hearts, please see me.

Carolyn Monko, Chair of the October 19 Crab Feast. The summer is winding down but those blue

crabs are still going strong! Grab your friends and get ready for All You Can Eat Crabs at the Unit's October 19th Crab Feast. DJ Butch will be keeping everyone entertained with his music magic (and taking requests) while you feast on Crabs, Pulled Pork & Chicken, Baked Beans, Salads, and Desserts! If you don't get enough to eat at dinner, try your luck at the Cake Wheel and share a delicious dessert with friends or sneak it home. Tickets will be available at the Post and online at Eventbrite starting August 24th.

While we love to see our Legion family members participating at the Crab Feast, we also love to spend time with them behind the scenes. We are still looking for volunteers to help out that day if you prefer to be in the fun crew! There will be a sign-up sheet in the hall, at the next Auxiliary meeting, or you can contact Carolyn Monko at carlymon4@gmail.com. The flyer is attached to this article.

Blood Drive

**Sponsored by the American Red Cross
 & Post 60**

As we are entering the critical summer months which are always a challenge for the American Red Cross in making sure that blood supplies are on the shelves when most needed. During these times it can be difficult for the Red Cross to maintain a sufficient blood supply when the donations go out the door faster than they can be collected. Blood shortages can delay essential medical care for our families and friends. Please help us show that we care, signup to donate.

Thank you for everyone that came out and volunteered for the 4th of July picnic, it was a huge success! A special shout out to Ralph Webster and Dave Privott for standing over the grill on a 90 plus degree day to cook the hamburgers and hot dogs. Be sure to keep an eye out for the sign-up sheet, our Labor Day Picnic is next on, you guessed it, Monday, September 2nd.

Thank you to our Post 60 Color Guard for stepping up at the last minute to participate in the raising of our National Colors before Laurel's Firework Display. What an honor it was that the city contacted them to mentor local scouts in the proper way of raising the colors.

Be sure to mark your calendars for the Annual Squadron 60 Car Show, August 4th and The Bartenders Challenge, August 10th. These events are two of their biggest fundraisers and have always been a huge success. Of course, we expect nothing less this year, because Squadron 60 does a great job running them both.

Post 60 Auxiliary has been doing game nights every Wednesday through the summer. The fun starts at 6pm and goes until around 8pm with Poker Card Bar Bingo and Pull Tab games to keep you entertained. The Auxiliary will continue with game night until the Queen of Hearts starts back up in September. Get over the hump with us - come on out and break up your week, enjoy Winey Wednesday, play some games, and have a little fun!

Thanks,

Tim Thomas

Michael Obremski
Commander
Detachment of Maryland

The 2024- 2025 Legion year is now upon us. We ended 2023-2024 strong so let's continue that momentum. We have much more that can be done that will better our Veterans and their families, the community, state and nation. We are the proud possessors of a priceless heritage like our preamble says, but we are also Proud Marylander's. Let's show our Pride and pull out all the stops this year to show everyone who we are. Squadron 60, and We are Maryland proud.

My theme this year is **SONS HAVING FUN GETTING IT DONE**. My project is building a much-needed Interactive Playground system at the Youth Camp in Southern Maryland. How is it that there is a youth camp but no playground for the youth? Remember back when you were younger, all the joy you had, the fun with your friends just goofing around, making up games, making new friends and just plain having fun. Why not bring that back for our youth of today. The inclusion of popular playground elements such as slides, swings, climbers and other equipment can significantly contribute to children's physical development. These activities help enhance their agility, speed, strength, balance and coordination. Moreover, presenting exercise as an enjoyable experience not only encourages kids to stay active but also fosters the development of creativity and social skills among peers. Besides, watching our children playing and laughing always brings joy and happiness to us adults. So, it is a win-win situation for all, parents and our youth.

I ask that you continue doing what we do in not only helping to support my project, but also all of the other programs under the four pillars (Americanism, Children and Youth, Veteran Affairs and Rehabilitation, and National Defense) which help to support our Veterans and their Families. We always

hear visiting National Commanders say, "Maryland knows how to raise money and set the standard of excellence, make it look so easy doing so, and have fun doing it!" Let's work to not just maintain this high standard we have already attained but exceed it and set new records. I know you can do it, because working together we accomplish great things.

I will have t-shirts on sale in the Post Lounge that will help support this project. If you do not wish to have a T-shirt general donations are always accepted and appreciated. I have said it before and will say it again, any change you are able to donate helps to make a change for our Youth.

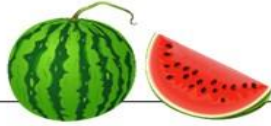

Yours in Service
 Michael Obremski
