“The Fun Post”

March 2025

Josie Lohman
Commander, AL Post 60

Thank goodness the snow has finally moved on and we can start looking forward to spring. Another thing we can also look forward to is elections! I know our post has a lot of good people in it. I hope you will step up and consider running for an office, we need you! Nominating forms will be put out in the lounge at the beginning of March and nominations are accepted until April 1. Please remember, you cannot just nominate someone, they must accept it and sign the form along with the person nominating them.

I know it's early, but numerous people have already asked to purchase a square in the next Super Bowl. Hmm, seems like we just had our Super Bowl Party... For those who interested, our \$100 Super Bowl LX pool is now open!

Our Post 60 family has been extremely busy in and around the post. Repairs, improvements, fundraising, and supporting our veterans and our community. In order to do all that, we support each other too. When our Department of Maryland asked us to host a Department Executive Committee (DEC) meeting, for close to 200 attendees, I had to rely on that support. The post that was originally slated to host the meeting had an emergency situation arise just two days before the meeting was to take place. So, what did we do, of course we supported our department! I reached out to my Post 60 family, and they didn't disappoint. Rob and Carolyn Monko not only prepared an entire meal for the meeting, but they knocked it out of the ballpark with their menu. If not for them, we wouldn't have been able to pull this off. They ran the kitchen smoothly and efficiently while our Legion, Auxiliary and Sons of the Legion worked together to put the hall together and took care of the pre-meeting continental breakfast. I couldn't have done it without your support, thank you Nancy Slavinski, along with Denise Person, Lee Luby, Joe Lohman, Dave Privott and I When this huge event was finally over our wonderful members from the officially-unofficial

deck committee strolled in and put the hall back together for us. It was truly amazing how we came together to support our Department of Maryland Officers. It did not go unnoticed by our department officers how well our Legion family supports each other for the good of the Legion. This was definitely a proud moment for me.

Part of the 200+ attendees at the DEC Meeting on February 16th.

Lee Luby
1st Vice Commander

Thank goodness that February is coming to an end, and we missed the last big snow we were predicted to have. We won't talk about all of the horrible things that have been said about Punxsutawney Phil and his predictions for six more weeks of winter, and we will get through to Spring one way or another! Our Post is doing well with membership placing a little over 85% which is the goal for mid-February. We would appreciate everyone paying their dues so that we can update your door cards for year 2025, that way you won't have to ring the bell and show your card when you come in. By the time this newsletter comes out we will probably have a higher percentage, so keep up the good work and we will reach 100% as we always do.

**Post 60 Entertainment
Tim Thomas
2nd Vice Commander**

Thank goodness March is here, February sure was a tough month, weather-wise. Now that spring is just around the corner, I find myself thinking green. I don't know about you but I'm ready for some Green Beer on St. Patrick's Day. March 17th can't come soon enough!

Currently there are no big events planned for the month, but we always have a great line-up of entertainment for you every weekend. Come down to Post 60 and enjoy your favorite beverage along with the company of your fellow members. The nights are sure to be hopping with Sharon Dukes and The All Star Band, Escape Goat, 3 'til Midnight, Gary and The Groove, and Out of Order. That's just the Saturday's bands! Be sure to check out our calendar for the Friday night entertainment.

As a member of the Post 60s Color Guard, I would like to thank everyone for their support buying Super Bowl Squares and 50/50 tickets. A special Shout Out to Diane for selling a lot of 50/50 tickets while behind the bar! And, we have begun selling Lots Of Loot pull tabs at Friday Night Bingo. Additionally, we have received some very generous donations from the SAL Squadron 60 and Auxiliary Unit 60. I am happy to say that we are off to a very strong start in our fund-raising efforts. This will help tremendously with our travel expenses to the National Competition.

“ SONS HAVING FUN GETTING IT DONE “

Detachment of Maryland – Mike Obremski's Journey
This year has been full of fun getting things done. But I will admit some of the best laid plans I had at the beginning of my year as Detachment Commander did have to get changed. But that is the way things go. Make plans but then be able to turn on the dime and make adjustments as necessary. I admit I am a little behind in my Squadron visits as I wanted to be around 60-ish by this time, but life and work takes a priority over squadron visits. I still have time to catch up and rest assure I will be putting in a good effort to get caught up. I wish to represent the Legion Family of Post 60 with the highest honor as I am the 60th SAL Detachment Commander and we always like to say - 60 needs to represent.

As of the writing of this article Friday 21 February
Squadrons Visited : 41 out of 101
Functions and Fundraisers attended : 50
Miles traveled : 7,318

Detachment of Maryland Membership : 15,153.
1875 ahead of last year at this time
87.935% of the goal of 17,232

I am not letting the negativity of people get to me. There are still more Functions, Fundraisers and Squadron visits to attend with more miles to go and CHOO CHOO Obremski is still riding high on the rails with my journey around the great state of Maryland. After my time is up in June, I will be around the Post Home a bit more to share some Legion Lemonade with you. Until then stay safe, have fun, and go with the flow and enjoy that Lemonade.

Yours in Service,
Mike Obremski
Commander

March 29th will be the Maryland ALR State meeting up at Boonsboro. They are conducting a Poker Run starting at Post 60 with coffee and donuts. Please plan to join us at the Post for the sendoff of the Riders participating in the Poker Run.

Motorcycle safety - be sure to take care of your motorcycle so that it takes care of you in your time of need! On April 6th the ALR will hold its annual Blessing of the Bikes, so be sure to get them ready for that event.

Post 60 Deck Committee Chris Davis "Official" Unofficial Correspondent

The Deck Committee has been actively working on enhancing the outdoor experience for all members (especially during this past winter) adding ever-changing seasonal lighting along the deck rail top and other holiday themes.

To enhance comfort on the deck, particularly during windy days, the committee has installed a three-sided wind barrier. This barrier is designed to:

- Reduce wind flow, making it more pleasant to sit and relax.
- Allow members to enjoy a cigar without succumbing to frostbite.
- Enhance the overall aesthetic of the deck area.

There's nothing better than a good cigar on the deck while engaging in good conversation with other members.....and remember the words of Mark Twain, "practice moderation... I only smoke one cigar at a time."

Smokey the Skull gives it two thumbs up!!
