"The Fun Post"

October 2026

Josie Lohman
Commander, AL Post 60

September was a month that touched our hearts in many ways. Our Labor Day picnic gave us a wonderful chance to relax, laugh, and enjoy one another's company, and it meant so much to see so many members gathered together.

On the 25th anniversary of the tragic events of September 11th, 2001, we were honored to be invited by the City of Laurel to take part in its 9/11 memorial program. Standing with our community to reflect, remember, and honor the lives lost was deeply meaningful, and we are truly grateful for the opportunity to help carry forward the promise to never forget.

On September 19th, we shared another unforgettable moment as we hosted an Honor Flight from Maine. The day brought tears, warmth, and memories we will carry for a lifetime. Seeing the pride in the veterans' eyes was deeply humbling, and we welcomed them like family, offering the respect and gratitude they deserve. What began with handshakes ended in heartfelt hugs, as if we had known one another for years. If you have a moment, ask someone about the event and you will hear the excitement and pride this tremendous day inspired.

September also brought our Post inspection, an important review of the hard work, organization, and dedication that keeps our Post running strong. We are proud to share that, thanks to everyone's continued commitment and attention to detail, we passed with flying colors!

Joseph Pruden(center), was inducted into ANAVICUS at Nationals in Kentucky

ANAVICUS (Army, Navy and Air Force Veterans in Canada United States) is a unit of ANAVETS – the Canadian veterans organization founded in 1840. The United States charter was presented in 1953 during The American Legion's national convention in St. Louis where the first ANAVICUS meeting was held. There are 1,200 members in ANAVICUS, and all are American Legion past national commanders and other distinguished Legionnaires. ANAVICUS membership is by invitation only, and new members are inducted twice a year at national convention and the Washington Conference.

ANAVICUS also presents nine scholarships a year that are in memory of a distinguished ANAVICUS member.

Congratulations to Joseph for his induction into this notable organization.

Honor Flight At the Fun Post Sara B. Berschet

The American Legion Post 60 had the honor of hosting dinner for the Honor Flight from Maine on 19 SEP 2026. There were 75 Veterans and their Guardians. We had one veteran from WWII, Charles Presby, at 99 years old. The majority of veterans were from Vietnam. There were also a few who served in Korea, Lebanon, Grenada, Panama, Gulf War and Global War On Terrorism. We had THE best team of volunteers that worked hard to make this an extraordinarily memorable evening for everyone. It was a job well done by our Legion team.

We will never forget the sight of our Riders leading the way as the busses rolled in under that huge Garrison flag flying on display via Savage Volunteer Fire Department followed by our Legion flag line, live military music from a volunteer Fife and Drum Corps and dozens of well-wishers to greet them. I was told that when the Veterans first rounded the corner to the Legion, they thought there was a problem because of the Laurel City police cars and fire truck that were out front. When they realized it was for them.... their tears started flowing. That's a strikingly exceptional first impression. Then, once inside the hall, the Service Song Medley and Posting of the Colors were masterfully executed. Throughout the night, Butch, kept the energy flowing with a great selection of songs. We also had a picture slide show playing. People we able to send in their pictures from the day and we showed them during their dinner with us.

Big kudos go out to everyone who put together the gift bags for the Veterans and the To Go bags for everybody. In the gift bags we had personalized Tent Cards and key tags with their name and branch of service on it that were created by our members, Thank You cards that were also created by us, M&Ms and a Veteran Thank for Your Service Hat pin. We handed out flag pins to all the people on the trip.

We received numerous enthusiastic comments about all the young volunteers from St. Mary's American Heritage Girls and Laurel High School Junior ROTC Cadets. They did a fantastic job and as it worked out, we had a young volunteer for every table. Dinner was provided by Mission BBQ and was served in a very timely and praiseworthy effort. I think it was a wonderful opportunity for all our young volunteers.

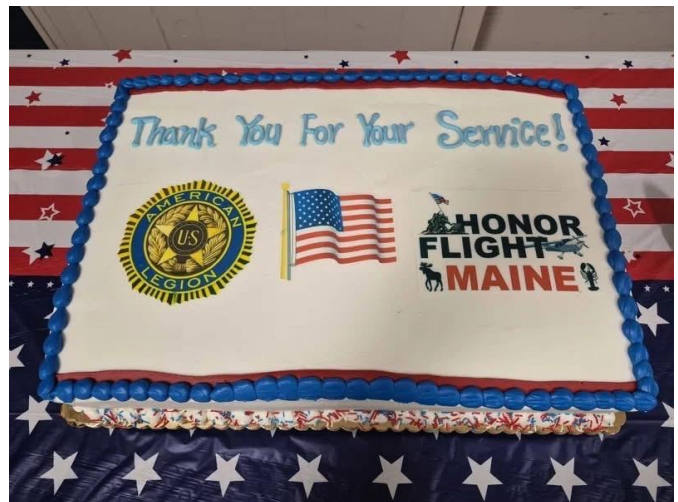

They were beaming with pride. After dinner, we had remarks made by Laurel Councilman Adrian Simmons followed by an Honor Flight "Mail Call" in which they received letters from their loved ones.

We have big hearts at our Legion who contributed to the bar tab which allowed the Veterans to drink for free. Some gestures such as that are more powerful than words could ever be. As a sweet touch our members also donated cookies and Hershey Kisses.

Another gift we gave them was the song we created for them. Few things in life are perfect. That song is PERFECT!! Big shout out to Dave and Brian for that creation. We tried to play the song while they were at dinner, but the room was too loud. On the way back to their hotel, it was played for them on all the busses. Can you imagine what that must have been like?

Our cake cutting reminded all the veterans of past ceremonies they would have experience during their time in service. A wonderful reminder of a time-honored tradition and celebrating the past and the future.

During the Honor Flight dinner, I received a text at 6:07 pm from Elizabeth who was their lead for the event. It said, "WOW WOW WOW WOW WOW WOW WOW WOW WOW".

memorable event!**

Post 60 Hosts Honor Flight Maine 19 SEP 2026

Post 60 Entertainment Tim Thomas 2nd Vice Commander

Fall is here, football is back, Halloween is around the corner, and things continue to stay busy at **Post 60 – “The Fun Post!”**

First, I want to thank everyone who came out for our **Labor Day Potluck**. Once again, our members stepped up with plenty of great food and even better company. These events are successful because of the people who bring a dish, lend a hand, stick around to help clean up, or simply come through the door and enjoy some time with fellow members. Thank you to everyone who helped make it another successful Post 60 event!

October is going to keep us busy.

On **Sunday, October 4th**, we're combining two things that go pretty well together — **Football & Breakfast!** The **Washington Commanders take on the Indianapolis Colts** with kickoff at **9:30 AM**.

Doors and the Lounge open at **9:00 AM**, and for **\$14** you can enjoy an all-you-can-eat breakfast while watching the game on the big screen in **Allen Hall**. If breakfast isn't your thing and you'd rather just enjoy the game with a cold beverage, we'll have it playing in the **Lounge** as well. Either way, there's no reason to watch this one from the couch at home!

And, as always during football season, we'll be putting out some **football food during the 1:00 PM games on Sundays**. All we ask is for a small monetary donation. Those donations go right back toward buying food supplies for the following Sunday, helping us keep it going throughout football season.

We're also going to change things up from time to time. It won't always be the usual hot dogs and light snacks. Every now and then, we may put together something a little different. **We're not going to announce what's on the menu either!** You'll just have to stop by Post 60 on Sunday, grab a cold beverage, watch some football and see what we've come up with to fill your belly that week!

Then, we're closing out October with something brand new for Post 60, and we're hoping it becomes an annual tradition — our inaugural **“Halloween: From Daylight into the Darkness!”**

The entire Halloween celebration is **FREE and OPEN TO THE PUBLIC**. Our goal is to give local families a place where they can come out, stay in one location, and enjoy a full day and evening of Halloween activities without having to run all over town.

We'll start with the **Kids Halloween Party at 3:30 PM**, followed by our **Halloween Parade at 5:30 PM**. At **6:00 PM**, the evening activities begin with **Trunk or Treat, Bam Bam's Haunted Trail, and Kickball**.

You don't have to participate in everything. Come for one activity, come for a few, or make a full day of it and stay for them all. We simply want families to have a safe, fun, local place where they can enjoy Halloween together. All outdoor activities will, of course, be weather permitting.

Since this is our first time putting together an event this large, **we're going to need a strong turnout from our Post 60 volunteers to make it successful**. Sign-up sheets for the different activities are located in the **Sign-Up Binder at the Post**, so please put your name down wherever you can lend a hand — even if it's only for one portion of the day. With the support of our Legion Family, we can give local families a great Halloween while also opening our doors and showing the Laurel community what **Post 60 and the American Legion are all about**.

And when the kids' activities begin winding down, Halloween at Post 60 isn't over!

Out of Order will be playing Halloween night in the **Lounge**. Costumes are encouraged, so after a full day of Halloween fun with the family, stick around, grab a cold beverage, enjoy some live music and show us your best costume.

I hope to see everyone throughout October. Bring the family, bring a friend, wear a costume, eat some breakfast, watch some football and enjoy **“The Fun Post”**

Auxiliary Unit 60

ALA President

Big changes are happening in the American Legion Auxiliary! As of the 2026 American Legion National Convention, Auxiliary eligibility is open to women and men that have qualifying family service members. Qualifications include; spouses, children, grandchildren, siblings, and parents of eligible service members. This also includes adopted children and siblings (no step-relatives). Women are also welcome to join under their own service record as well. We are looking forward to a great membership drive. Please contact myself or Tris Thomas with any questions on eligibility and/or to turn in an application. Members are voted in at the regular general membership meetings on the 2nd Monday of the month. For anyone interested in attending a meeting please join us for a light dinner buffet at 6:30 followed by the meeting at 7:00.

Thank you to all of the Auxiliary members who helped to make the Honor Flight a huge success!!! Our members decorated the hall, made snack bags and other treats for the Veterans, participated in the welcoming ceremony, and, most importantly, spent time with them and listened to their stories. We had a group of the Laurel High Junior ROTC, including one of our Girls State participants, show up to help out and honor our Veterans. The American Heritage Girls group, from St. Mary of the Mills church, also showed up with wonderful enthusiasm and hard work and charmed everyone.

Our Crab Feast is coming up on October 17th and we are sold out however, we always welcome our volunteers for the event and "The Fun Post" always has a great time working the event.

Halloween will be different at Post 60 this year with a joint participation by all of the Legion Family. Festivities will start with the Children's Halloween Party at 3:30 for the younger children. The party continues at 5:30 when the kids parade through the lounge to show off their costumes and collect treats from the members. At 6:00 the evening opens up to a variety of activities in which families can participate. The parking lot will host the Trunk-or-Treat, Kickball under the Lights will be running on the ball field, and those daring enough can walk the Haunted Trail in the woods. Come out for any or all of the activities or to volunteer.

Got foreign coins or bills tucked away from a trip abroad? Unit 60 is collecting them to support UNICEF's Change for Good Program, which funds nutrition, clean water, and emergency relief for children worldwide. Any country, any amount-just drop it in the collection jar on the front counter!

We are still collecting gently used and new shoes to benefit Girls State and books for the USO. Books can be for any age however they ask that adult books be softcover as they will take these with them on the plane.

AL Post 60 Riders BamBam Morell Director

September was a pretty busy month for the ALR. On September 5th, 2026 six riders rode down to DC for the Vietnam Memorial Wall Washing. Lenny Francioni, Greg Pavelik, BamBam, Kevin Newman and Pick Pickering got up nice and early and volunteered our morning for this worthwhile event

On September the 12th 5 riders rode up to Darlington, MD for the Hope and Peace Foundation's 15th annual 9/11 Patriot Ride. This is Maryland's largest Police Escorted ride and I was very honored to be able to present two checks totaling \$1000 to this very worthy cause. \$500.00 came from the ALR and the Post 60 Family matched our donation of \$500.00. Stephan Snyder, Yan Forrester, Bill Gordon, Lenny Francioni and BamBam attended and had a wonderful ride. The amount of people standing on the roadside waving flags, saluting and cheering was just incredible to see and hear. Stephan Syder had the honor of carrying one of the Gold Star Mothers on the back of his bike. How's that for awesome!

On September 11th and 18th, the ALR ran the 50/50 at Friday night Bingo which were both very good nights and we raised a good amount of money for the ALR. September 19th was an incredible day where the ALR was honored to escort the 3 Maine Veteran Buses from The Navy Memorial on Pennsylvania Ave. in Washington, DC back to Post 60. All of the veterans were very impressed that we were able to do this and it was a great honor for all of us who joined. Christel Berryman-Lopez, Len Busso, Karen Busso, Bill Gordon, Tracy Butcher and BamBam had a wonderful time talking to and shaking hands with the Veterans.

And finally, on the 26th we hosted the Maryland State ALR Meeting which thanks to all the volunteers and attendees went off without a hitch. The food was excellent and the camaraderie was also great. Thanks again to the volunteers and donors with whom made this a great event.
