FOUR CHAPLAINS

It makes a difference when you live it - out loud.

Duty - Selfless Service - Honor - Personal Courage

Four Chaplains Memorial Ceremony

Come celebrate in the memory of the Four Brave Military Chaplains who were on board the World War II military transport ship S.S. Dorchester when it was sunk by a German torpedo. As the ship was going down, these men gave their life jackets to young soldiers who had none.

Light refreshments will be served immediately following the Ceremony.
