

American Legion Post 60 will be hosting various fundraisers throughout the next year to raise money for the *Tribute to America's Fallen Foundation* and showcase the travelling GoldStars Tribute Wall™ to Post 60 September 23-25, 2022. The GoldStars Tribute Wall™ was created in 2010 with the goal to memorialize those who paid the ultimate sacrifice for our country. As the wars continued, so has the need to add additional names. Additional panels cost upwards of \$10,000 and our goal is to raise at least \$30,000 to help build two additional panels for wall, as well as redesign the trailer that carries the GoldStars Tribute Wall™.

About the [Tribute to America's Fallen Foundation](https://www.tributewall.org): for more information visit [tributewall.org](https://www.tributewall.org)

Our mission is to promote awareness to the public about the sacrifices made to maintain the Constitutional freedoms that we exercise today. We strive to honor those who have paid the ultimate price for those liberties and remind their families that they are not forgotten. We have developed a Traveling Memorial called the GoldStars Tribute Wall™, to Honor our Service Members who have fallen while serving in the United States Military since the beginning of the Gulf War. This memorial project will continue to add names to the memorial up to the present.
